Dear Parents

As a school committed to all aspects of education and development of our children, we are excited to inform you that we will have extra-curricular activities from 28 August. Parents are asked to encourage their children to participate in at least one (1) activity, during the school year.

There may be a cost involved for some activities and this will be communicated in due course. The extra-murals for the year are listed on the attachment.

Kindly indicate which activities your child will be participating in by completing the tear off slip below and returning it to school by **Wednesday 30 August 2017**, to ensure your children's registration. Some activities will have limited numbers and it will be on a first come-first serve basis.

Thank you for your prompt consideration in this regard.

Yours sincerely,

Handriniaina Razafindrabe

Principal
