Antananarivo – Madagascar - Lot 177 H Bis Amboropotsy Talatamaty

We envision becoming a model provider of excellence in education on the island of Madagascar by: providing quality education in a stimulating, creative and secure environment, encouraging young people to develop a vision and purpose for their lives, enabling them to graduate with the life skills and academic excellence required to enter careers that are relevant to developing countries.

**We are looking for qualified English speaking candidates for the following positions:**

- Mathematics teacher for High School
- Life Skills teacher for High School
- Malagasy teacher for High School
- Grade 6 teacher
- Secretary/Receptionist

**General requirements**

- Must be able to teach in English.
- Holder of Bachelor Degree in Education, or Post Graduate Certificate/Diploma in Education
- Possess the relevant training in the subject or areas they will be teaching in class
- Support Vision Valley School 's values and Christian ethos
- Have a passion for teaching.
- Be a good team player.
- Be sensitive-responsive to the needs of students.
- Demonstrate commitment in teamwork.
- Be a good role model to students and conduct oneself professionally.
